SAN FRANCISCO STATE COLLEGE

Golden Gater

Vol. 55, No. 14 | SAN FRANCISCO, CALIFORNIA | Friday, April 4, 1952

Student Balloting

Voting to Be Held April 24, 25; Petitions Ready in Hut 4A Monday

Dates for the student body election were approved by the Board of Directors at their weekly meeting last Tuesday.

Election petitions will be available Monday, April 7, in Hut 4A, and must be returned by 4 p.m. Monday, April 14. The Election rally is set for April 22, and voting will take place on Thursday and Friday, April 24 and 25. The run-offs are scheduled for May 1 and 2.

The board designated Honor S to man the election booths, providing the group is able to reorganize by election time. John L. Bergstresser, dean of students and faculty sponsor for Honor S, or an alternate appointed by him, will be the faculty supervisor of the polling booths.

ELECTION COMMITTEE

The election committee, which will set up rules and regulations for campaigning and for the election, is to consist of the campaign manager of each presidential candidate. Don Johnson, student body president and chairman of the board, appointed Charlie Smith as tentative chairman of the election committee. A new chairman will be appointed if Smith runs for an office, or if he plans to campaign for a presidential candidate.

Two polling booths are to be open on the election days from 9 a.m. to 4 p.m.; one on the old campus in the correction room, and the other on the new campus in the lobby outside the men's gym.

VOTING MACHINES

Jack Healy, business manager for the Associated Students, was asked by the board to ask the city if the college can obtain a voting machine. Bob Katz, administrator of student affairs, suggested that the polling hours be extended on the second election day if, because of the universal card, an unprecedented number of voters turn out for the election.

Norma Swain Appointed To Publications Board

The executive committee of the Board of Directors approved the appointment of Norma Swain, former editor of the Golden Gater, for the member-at-large post on the Board of Publications at a meeting last Tuesday.

The appointment, made by Don Johnson, student body president, had to be approved by the Board of Directors and a special publications sub-committee composed of equal representation from the editorial staff of the Golden Gater and from the board.

Turdici Gets KCBS Post

Peter Turdici was recently promoted to chief apprentice by radio station KCBS. An ex-speech major at State, Turdici was chief announcer of Radio Guild last spring.

Music Fed Dance Saturday, April 19

'I'll Remember April' Theme of Semi-Formal

"I'll Remember April" is the name chosen to represent the theme of the Music Federation's first semi-formal dance, which will be held in the Golden Empire Room of the Mark Hopkins Hotel from 9 p.m. till 1 a.m., Saturday, April 19.

Hank Park, president of the federation, is heading the dance committee, which is comprised of Fran Ashman, Ken Lovejoy, Liz Christensen, and Sue Brown.

Bob Searle and his orchestra will provide music for the affair. Tickets sell for $1.75 per couple and $1 for stags. The bids are now on sale at the federation office in Music Alley 3B, and at a booth in the basement of College Hall. They may also be obtained from any member of the organization.

Bernice Prince in Recital Tomorrow

Miss Bernice Prince, language arts instructor here at San Francisco State, will be presented in a vocal recital Saturday, April 5, at 8 p.m. in the San Francisco Public Library, Civic Center. The young San Francisco contralto will sing two arias from Saint-Saens opera, Samson and Dalila, as well as other selections in English, Italian, and German.

The program is open to the public without charge.

Twelve Staters Chosen to Attend Los Angeles Meet

Twelve members of Phi Epsilon Gamma, the women's physical education honorary society, have been chosen to attend the National Association of Health, Physical Education and Recreation Conference, which will be held in Los Angeles from April 6 to April 10.

The purpose of this conference is to discuss vital issues concerned with problems in the field of health, physical education and recreation.

MAD HATTER'S BALL TUESDAY AT CENTER

Spring, that season of the year when the iron in one's blood turns to lazy lead, is here, and with it comes the maddest thing of the season, the Mad Hatter's Ball, scheduled for Tuesday, April 8, from noon till 1 p.m. at the Rec Center.

This is the opportunity all the frustrated males on campus have been waiting for. Now they will be able to wear hats of any type, description, or non-description. The gals are in the busy process of designing and making these fashionable creations which the boys will model.

The "Chic Chapeaux" contest will be the main attraction at the ball, but other forms of entertainment have been planned. Just so things won't get too dull, there will be a band to furnish music for those who like to dance. And the beauty of it all is that the whole show will be free, gratis, no charge.

For laughs, break out all the odd and exotic forms of head gear and display them at the Rec Center next Tuesday.

Phi Eta Chi UMT Panel Discussion Tomorrow Night

The subject of Universal Military Training will be discussed tonight by a panel at a symposium sponsored by Phi Eta Chi, service fraternity.

The topics to be discussed will be: UMT, the proposed bill, to be given by Mr. Robert Allan; UMT, and its relation to the present military program, to be given by Mr. Robert Smith; UMT, and our foreign policy, to be given by Mr. Boyd Huff; and UMT and education, to be given by Mr. Herbert Blau.

Mr. Art Padilla will be the alumnus moderator and Dr. Charles McClelland, faculty sponsor, will also discuss these topics; all of the fraternity members will be invited to do so.

This affair will take place tonight at 6:30 p.m. at Veneto's restaurant, Bay and Taylor streets, San Francisco, and will be open to members only.

Fair Committee Approves Budget

Group's Proposals Await Final Ratification by Board of Control

The State Fair executive committee, consisting of the chairman of each event and faculty advisors, approved the fair budget last Tuesday for ratification by the Board of Control.

Willis Wood, activities commissioner and chairman of the committee, submitted the proposed budget which totals $835. The estimated income from the fair is $1045; the Associated Students estimate a net profit of $210.

The budget allows $325 for a dance with an estimated income of $450, $15 for the puppet show, with $20 as estimated income, and $100 for the water show with an estimated income of $180.

ESTIMATED EXPENSES

Estimated expenses without any income include $20 for the field day, $15 for trophies, $75 for publicity, $15 for tickets, $30 for maintenance, $40 for rain insurance, 50 for miscellaneous, $25 for a physician, and $25 for extra lights. Items on the budget having an estimated income, but no expense include $100 from the donkey basketball game, $100 from food, and $30 from the check stand.

The committee, which consists of John L. Bergstresser, dean of students, Norry Volk, chairman of the carnival committee, DeVon Stanfield, Marge Morrison, Bob Sherman, Bob Schumacher, Warren Alby, Bob Katz, administrator of student affairs; Jack Healy, business manager of the Associated Students; Jean Bunnell, activities counselor; Dorothy Wells, dean of women; Runar Stone, superintendent of buildings and grounds; and Ray Doyle, publicity director, also approved the time schedule of events and the committee reports.

CENTERED SITES

The entire fair will be centered in the P. E. building and concentrated in adjacent areas. The carnival events will be staged on the men's basketball field. The executive committee also approved a suggestion made by Norry Volk for providing a centrally located broadcasting system and a map of the area indicating where each event is located.

"This is a student enterprise," Wood stated, "and close cooperation will be needed from all students to make it a successful affair. It's put on by them and for them. We hope to make it appeal to all levels of the student body.

STUDENT AFFAIR

"Those students who have never had an interest in activities of the college," Wood went on to say, "should come out and try this affair, for we hope to show them that student activities aren't just for a limited group on a limited level.

"Emphasis this year will be on a more coordinated program where an individual may see and do many things which would have personal interest to him." One of the most outstanding events will be the carnival booths which are sponsored by individual organizations. Another particularly outstanding event is the food concession, which will include on its menu bar-b-qued sandwiches, corn-on-the-cob, hot pie, coffee, and fish and chips. Souvenir programs with pictures and run-downs on each event will be sold," Wood concluded.

Workshops Playing In Frederic Burk

Final Performances Set For Tonight, Saturday

Tonight at 8:30 the second of three performances of the drama department's workshop plays will be presented in Frederic Burk auditorium. Final performances are slated for tomorrow night.

The three one-act plays scheduled include Tennessee Williams' "This Property is Condemned," the classic farce "The Man Who Married a Dumb Wife," and an original play by Edmund Reynolds called "Weighed and Measured."

CHARACTER STUDY

"This Property is Condemned," a character study, is under the direction of Virginia Cox and stars Virginia Chesse and Jim Thursby.

Dan Whiteside is directing the second play, "The Man Who Married a Dumb Wife," in which Kenny O'Hara and Marjorie Werby have the leading roles. O'Hara is starred as the man who has his wife cured of dumbness and then cannot get her to stop talking.

STRANGERS MEET

The third play of the evening, written and directed by Edmund Reynolds, has its locale in hell, where five people of completely different backgrounds meet. Audrey Anthe, Joe Marchi, Preble Stauter, Ed Zeni, and Luisa Hepper are starred.

Tickets, which may be obtained at the drama box office, AA10, or at Frederic Burk before each performance, are 25 cents with an Associated Student card, and 40 cents without.

CAA MEETING TUESDAY

The next meeting of the Club Advisory Association has been scheduled for Tuesday, April 8, at 7:30 p.m. in the Activities Room. All organizations must send a representative to this meeting.

Any organization wishing to have an item placed on the agenda may do so by notifying Al Henderson, president of C.A.A., in the C.A.A. box in Hut 4A.

Fraternity, Sorority House Rules Clarified

At the request of John L. Bergstresser, dean of students, the Club Advisory Association has distributed to all campus organizations a report clarifying the establishment and operation of fraternity and sorority houses.

Groups proposing to move into houses must meet the following standards before submission of application to the Deans' Committee:

1. The written approval and/or recommendation of the faculty sponsor of the group must be submitted. 2. All groups proposing to move into a house must have a housemother or resident advisor approved by the dean of women. 3. A copy of house rules and regulations must be submitted after having been approved by the dean of women. 4. The financial plans for the house must be drawn up in detail, including plans for periodic financial reports, and submitted as a matter of information to the committee. 5. All groups must state their willingness to abide by the Eleven-Point Plan for Student Organizations.

Organizations that undertake the responsibilities of maintaining a house must make certain that all residents are bona fide students of S. F. State College, and all rental or leasing arrangements must be checked by the business manager of the college. Arrangements must be made for periodic inspection by the dean of women and the health service of the college in regard to social and sanitary conditions, and for periodic inspection by the fire department of San Francisco in regard to fire protection and safety precautions.

All groups must also report periodically to the dean of women on group activities having to do with social life, educational activities, service to the college and/or community, and any other projects.

The rushing rules of the group must be in compliance with those formulated by the Inter-Fraternity Council and the Inter-Sorority Council as approved by the Board of Directors and the Deans' Committee.

Any initiation or hazing practices of a group must be in compliance with the California State Law, which provides that "Whosoever being a student, or being a person in attendance at any public, private, parochial, or military school, college, or other educational institution, conspires to haze or engage in hazing or commit any act that injures, degrades or disgraces, or tends to injure, degrade or disgrace any fellow student or person attending such institution, shall be guilty of a misdemeanor and upon conviction shall be fined not less than $50, nor more than $500, or imprisoned in the county jail not more than 6 months or both."

In view of the fact that the establishment and operation of sorority and fraternity houses is to be conducted on an experimental basis, each group shall participate in an evaluation of the project at the end of one year's time.

For any further information or for clarification of the above rules, the organization is advised to contact Dean Bergstresser.

DeVon Stanfield Resigns Rally Committee Position

DeVon Stanfield resigned as rally commissioner at last Tuesday's meeting of the rally committee. Stanfield explained to the committee that other duties including planning high school orientation rallies prevented him from giving enough time to the regular duties of his office.

Marge Morrison was elected by the members of the committee to replace Stanfield, and Connie LaRue will continue to act as chairman of the afternoon dance committee.

EDITORIALS

Now We're All Part of the Voting Team

This month's student body election will be the first one since the installation of the universal card fee, and, consequently, all Staters should be doing some serious thinking about it.

For the first time in the history of the college, every full time student will be eligible to vote. In this respect, the divided student body of voting card holders and non-card holders is relegated to the past.

Now we're all a part of the voting student body, and we should start right now with this first balloting to make our elections more meaningful. From here on in, our elections should be true reflections of student opinion and not the farces they have often been in the past when only a portion of the student body held cards and enjoyed voting privileges.

Every student should be vitally interested in this month's polling since the universal card has now made the Associated Students comparatively big business. We're no longer electing a student leader and a group of officers to head an organization that doesn't know where its next dollar is coming from, or whether it's even going to be functioning six months in the future. With the card came an assured income of some $46,000 a year, and in anybody's book that's big business.

Remember, that money is ours, and it's up to us to assure ourselves of a voice in how it's to be spent. Since we can't all hold office, we've got to make sure that those who do are capable and have the best interests of the students and the college at heart.

Start now to think about it. Potential candidate's names are popping up around the co-op like wild flowers on the new campus. Take time to find out what these people think and what they'll do in office.

We're at a point now where we can no longer shrug our shoulders at elections. The stakes are too high—too high to be summarily dismissed.

Here Comes the Springtime-- And a Young Man's Fancy Turns

By Hal Grant

In the spring a young man's fancy turns to that which the girls have been thinking of all year. Which brings us to the problem of picking a mate. One, of course, must have several prospects in view before coming to that major decision. If there should be a lack of potential mates, one is forced sometimes to "take it or leave it," which, naturally, eliminates at once the necessity of deciding on qualifications.

However, if one is fortunate enough to have a choice, he should consider the field carefully. First of all, according to the current trend of masculine taste, she must be blonde, beautiful, buxom and a "Gator"; unless, of course, one prefers the type which is short, dark, and dumpy.

Then, it has often been said that it is as easy to fall in love with a rich woman as with a poor woman. Although the saying goes, that money is the root of all evil, which may be true, another saying that two can live as cheaply as one has been proved a specious falsehood.

Next, one should make certain that the chosen person has a sense of humor. After all things are considered, she should possess a gay outlook on life to enable her to put up with your own idiosyncracies with equanimity.

The woman's own innate character should rate a close scrutiny. For example, if she is obstinate and refractory, proceed slowly and with great caution. She might, one fears, balk when the minister asks her to say "I do." Of course, if she is truly in love, one may cease to worry since love is blind, reputedly.

Contrary to current teachings, you should not have too much in common with the woman finally selected, since you should try to broaden your interests as much as possible. It would be very dull to live with someone who has exactly the same likes and dislikes, and one would know that she thinks the same thoughts, which might prove inconvenient or, worse still, definitely embarrassing.

Should she possess several traits of an unfortunate nature, this should not be taken too seriously, as one can always try to make a few conversions after the knot is tied.

Last, but far from the least of all considerations, she should be of a romantic nature. Of valuable assistance in determining this factor are the words of an old adage which goes, "cold feet — warm heart."

Looking Around...

By Robert E. Preble.

Since the annual student body elections are but three weeks from today, we feel that the time has come to take a look around and point out some of the features of the government for which you'll be voting come April 24 and 25. But first of all, just what is the Associated Students?

The Associated Students of San Francisco State College is a non-profit organization incorporated under the laws of the State of California. Within this legal corporate structure exists the student body of the college; and, although the corporation sells no stock, each student technically purchases a voting share when he buys a student body card every semester.

This corporation, like most others, has as its basic governing body a Board of Directors. The ASSFSC board has 15 members, 12 student and three faculty. The student members are elected by the student body as a whole, and the board in turn elects its faculty members. The Board of Directors administers the student body with the advice and assistance of its various subordinate organizations, such as the Board of Control, the Board of Athletic Control, CAA, and so on.

The presiding officer of the Board of Directors is the president. He is the chief officer of the student body. He appoints the non-elective members of the various ASSFSC committees, serves as the representative of the student body in all its dealings with others, and performs such other duties as he may be called upon to do. He must have completed more than 60 units to be eligible for the office.

Next is the vice-president. He, too, must be an upper division student, and, in addition to assisting the president (and succeeding him, should that be necessary), he serves as the board's liaison with the CAA.

The secretary of the ASSFSC is responsible for maintaining all the records of the organization, and also is a member of the Board of Control, as are the other elected officers.

The treasurer serves, of course, as the guardian of the student body finances. He is one of the persons authorized to sign checks in the name of the student body, and he sits as chairman of the Board of Control, which manages the finances of the ASSFSC and more-or-less determines the financial policy of the Associated Students. If you want money from the student body, he is the man to see. Also, the treasurer customarily serves as chairman of the Athletic Board of Control.

The activities commissioner must be an individual of great energy and capacity. His job involves the handling of such complicated and demanding projects as the on-campus rallies, other outside rallies and entertainments aimed at promoting S. F. State in the public eye, and, of course, directing the State Fair.

Of the seven members-at-large, five are elected in the spring elections. Two of these must not have over 32 units. The other two cannot have over 16 units and are elected in the fall by the incoming freshmen.

This, then, is a brief run-down on the make-up of the Board of Directors. Space does not permit a fuller presentation.

Program of Art Films Scheduled For Showing Here

The Art Division and the Art Federation will present a program of art films Tuesday, April 8, in Frederic Burk auditorium. During the past 10 years, film makers have experimented with the interpretation of fine arts through the 20th century.

The first motion picture on Tuesday's program, "Joan Miro makes a color print," is typical of these experimental films. This picture shows one of the most significant modern artists, and one of the first to work in surrealism. "Fra Angelico at San Marco" shows marvelous frescos painted by this Italian of the Rennaisance period. Also on the same program is a short film, "Three paintings by Basch." This 15th century Flemish master is today admired greatly by the surrealist for his imaginative interpretation of the subconscious and fantastic side of life.

State Trackmen Host to Cal Aggies Tomorrow

Jayvee Nine Wins One, Drops Two Against Local High School Teams

Coach Art Bridgman's jayvee baseballers have been giving local preps a chance at some warm-up diamond duels. After three tilts, the Gators sport a 1-2 win-loss record.

In the opener against Poly High, played on the Golden Gate Park diamond at 7th and Lincoln Way, the Staters fell before the Parrots by an 8-3 count. In a pitchers' duel, the Staters managed to outbest Lincoln, 2-1, after a thrilling nine inning contest. The Gators tallied first in a four base clout by George Wehner in the fourth frame. The locals broke the tie in the final inning after Russ Rounauvarra scored on a single by Joe Doebert. John Carle was on the mound for State, while the catching chores were handled by Big Del McLemore.

The Gators had their .500 winning percentage upset by Washington High in a game played last Friday afternoon. The Gators looked like a group of O'Doulian Seals of 1951 as they were dropped by the preps, 13-1.—Herb Colton.

Berensmeier Wins Honor

Hurdler and high jumper Fred Berensmeier was named "Trackman of the Week" by Coach Ray Kaufman Monday. The 19-year-old sophomore won the weekly honor by scoring 13 points against Sacramento State last Saturday at Sacramento.

Kaufman vs. Wilson in Traditional Grudge Meet With Bitterest Rivals

Coach Ray Kaufman's thinclads are all set to roar back again tomorrow in Cox Stadium in a dual meet with Cal Aggies, the Gators' bitterest track rivals. As in the past, the season's success of the Staters and the Aggies will hinge on the outcome of this meet. Rivalry is so keen that in case of a tie the respective coaches would just as well settle the outcome by themselves, staging a footrace to break the deadlock.

No report is in on the strength of amiable Woody Wilson's farmboy tracksters, but a well rounded team can be expected to make the meet close and interesting.

HIGH INTEREST

Interest is running high as to the outcome of the quartermile dash. The race between Vic Gipson and Bob Lualhati is rated as a toss-up, even after the two previous victories of Gipson over the spunky ex-all-city champ. Given favorable weather conditions, the pair may near the 51 second mark for the route.

Freddie Berensmeier will be hard pressed to repeat his marathon performance of last week's Sacto meet. The Aggies usually come loaded with high jumpers and hurdlers.

POSEY AND CLAYTON

Len Posey and Earl Clayton should be able to cop the 1-2 slot in the two shorter dashes. Len, looking sharp in last week's workouts, was unable to upset Clayton in the 100 and the furlong.

The meet this afternoon may see Posey streaking in under 10 flat. Both boys are preparing to upset Ollie Matson in the U.S.F. meet scheduled for next week.

Gators Set Grid Sked For Autumn

Coach Joe Verducci released his 1952 gridiron schedule Friday. Four of the nine games arranged will be home contests.

The Gator footballers will be out to better their 1951 record of eight wins and two losses. Spring practice will begin April 28. The complete schedule:

Friday, Sept. 26 — Pepperdine College (Cox Stadium), 8:15 p.m.
Friday, Oct. 3—Whittier College (Cox Stadium), 8:15 p.m.
Saturday, Oct. 11 — Occidental College (Cox Stadium), 2:30 p.m.
Saturday, Oct. 18—Cal Poly, San Luis Obispo, 8 p.m.
Saturday, Oct. 25—Santa Barbara College, Santa Barbara, 8 p.m.
Saturday, Nov. 1—Chico State College (Cox Stadium), 8:15 p.m.
Saturday, Nov. 8—San Diego State, San Diego, 8 p.m.
Saturday, Nov. 15—College of Idaho, Caldwell, Idaho, 8:15 p.m.
Saturday, Nov. 22—Fresno State, Fresno, Calif.

W. A. A. Splits Basketball Twin Bill With Cal Girls

In an air of friendly atmosphere, State's W.A.A. played host to the girls of the University of California in a basketball doubleheader. The Cal team won the first contest 30-24, while Staters won the second half of the twin bill 35-31. Refreshments were served.

The W.A.A. will hold their elections for the Fall term at the new campus, April 16.

S. F. State Softball Team Wins Sandlot Contest

A S. F. State College softball team defeated the Home Insurance Co. 13-6 in a sandlot game played at Rolph Playground las Wednesday night under the lights.

The State team is captained by Arnold Banes, who spurred his team mates on to victory with a long home run in the third inning.

Rossi Honored by League

At a meeting of the Amateur Fencing League of America, held last Tuesday night, Jason Rossi, Gator varsity fencer, was elected to the executive committee of the league. San Francisco was chosen as the site for the 1952 Pacific Coast championship matches.

FROM THE PRESS BOX

★

By Lou Arieta

At the present time, San Francisco State College is in the midst of the greatest rebuilding campaign in the history of the school. The campaign is more than a physical reconstruction. It is an attempt to rebuild or build State's reputation in the eyes of San Francisco, California, and the Pacific Coast.

Let's take a look at the athletic scene. State has athletic facilities on a parallel with any college in this area. Joe Verducci, director of athletics, boasts a staff of capable coaches. Dick Boyle was an All-American in football. Art Bridgman was an All-American in soccer. All members of the staff are competent in their respective fields.

Of course, the most important question of the day is "How far will this campaign extend?"

Well, the answer is not very far off. Have you ever tried to find the results of a State track meet or a State baseball game in a local daily newspaper? Pretty darned hard to find, weren't they? We are a small college, but who beat Cal in boxing, Santa Clara in swimming and boxing; who finished second in the Northern California Intercollegiate Soccer Conference, and who won the Western Intercollegiate Fencing championship?

Don't misunderstand me. I am not blaming any newspaper or any well-known institution for our lack of publicity. All I want to find out is what can be done to improve the situation. State College is on the way up, but it is about time that we started to tell someone else about our progress.

SPORTS CALENDAR

April 4 - April 8

SWIMMING
Stanford Junior Varsity, there, Tuesday at 3:45.

TENNIS
San Jose State, there, Friday.
Santa Clara, here, Saturday.

TRACK
Cal Aggies, new campus, Saturday at 1:30.

BASEBALL
San Diego, new campus, Tuesday at 3:15.

GOLF
Sacramento State, Harding, Tuesday at 1 p.m.

Golfers Defeat Broncos; Bow to Cal Poly Linksmen

State's golf team broke even in a two game series, winning against the Santa Clara Broncos 18½-8½ on Tuesday and losing at the hands of a squad from Cal Poly 19-8 on Wednesday. Both matches were played at the Harding Municipal Golg Course.

Irish Pat O'Leary was San Francisco's standout, carding a 74 on Tuesday and a 73 on Wednesday to win medalist honors for both days. The rest of the team played good golf, showing strength all the way down the ladder.

Santa Clara Match

Pat O'Leary(S.F.) def. Bob Henderson(S.C.), 2-1; Jim Coltrell(S.F.) def. John McCarthy(S.C.), 2½-½; Team Ball S.F., 2½ to ½.

George Shaudra(S.F.) def. Bill Henderson(S.C.), 2-1; Pete Murphy(S.C.) def. Joe Willis(S.F.), 2½-½; Team Ball(S.C.), 2½-1/2.

Dick Briggs(S.F.) def. Mickey Taxol(S.C.), 3-0; Gerry Passodori (S.C.) def. Bill Grant(S.F.), 2-1; Team Ball(S.F.), 2½-½.

WAA Preps For Session

The WAA is currently prepping for a statewide women's athletic federation confab at Asilomar on April 25, 26, and 27, where problems in participation, leadership, and publicity will be discussed.

'Music For Better Living' Topic For Music Educators' Conference Next Week

"Music For Better Living" will be the theme of the annual convention of the California Music Educators Association to be held from April 6 to 9 at San Jose's Hotel St. Claire. Music educators and students planning to go into the field of music education from all parts of the state wil attend.

Dr. Stanley Freeburg, faculty advisor, and Don Fleenor, acting chairman of the students on campus organization of the Music Educators National Conference, both state that the program set up at the convention will be of great benefit to those students interested in the field of music education. The convention program will include four general sessions with outstanding speakers, 34 committee sessions working on various phases of the subject "Music in American Education," and four workshops in the fields of elementary classroom music, band, orchestra, and vocal music.

SPECIAL CONCERTS

Several concerts have been scheduled for the convention sessions, including a performance by the San Jose Youth Symphony, a festival of church music by the combined choirs of 20 San Jose churches, and a concert by San Jose State College music groups.

Keynote speaker at the opening general session, Sunday, April 6, at 8 p.m., will be Dr. Robert Burns, president of the College of Pacific.

"Educational Resources and a Secure America" will be the topic for an address by Peter W. Knoles, vice president of Sacramento Junior College at the general session, Tuesday, April 8, at 9 a.m.

"CONTRIBUTIONS OF MUSIC"

Charles Dennis, director of music in MENC will be the speaker at the final general session at 10:45 a.m. Wednesday, April 9. "Vital Contributions of Music Education" will be the title of his address.

Anyone planning to attend should sign up now in the Music Federation office or AB9 for further information and details on transportation.

San Francisco Host For Student Government Meet

San Francisco will act as host for the forthcoming semi-annual California State Student Government Association Conference. The conference will be held under the sponsorship of City College. Delegates from the various colleges throughout the state will discuss student government problems and methods of improving the student administration on college campuses. The meeting will be held at the Mark Hopkins Hotel on April 17, 18 and 19.

First Aid Courses Are Now Offered By S. F. Red Cross

Four beginning courses, one advanced course in first aid sponsored by the San Francisco chapter of the Red Cross will start April 3 through April 15 at neighborhood locations convenient to residential areas.

Beginning courses, 22 hours long, will be held twice weekly in classes two hours long from 7 p.m. to 9 p.m. on Monday and Wednesday at the Balboa High School, beginning April 14 for 5½ weeks.

Another beginning course will be held from 7:30 p.m. to 9:30 p.m. on Tuesday and Friday at the Sir Francis Drake Hotel, beginning April 15. A third beginning class will be conducted once weekly for 11 weeks from 7:30 p.m. to 9:30 p.m., beginning Thursday, April 3, at the Telegraph Hill Neighborhood Association, 1736 Stockton street.

A day time beginning first aid course will be conducted from 12:30 to 2:30 p.m. on Tuesday and Thursday, beginning April 15 at the Sunset Recreation Center, 28th avenue and Lawton street.

A 12 hour course in advanced first aid will be given from 10 to noon, beginning Tuesday, April 15, for six weeks at the Field House, West Portal playground.

Interested persons should call San Francisco Red Cross, PRospect 6-1500 to register.

California Educational Research Conference Held Here March 28, 29

The northern section of the California Educational Research Association held its annual spring conference at S. F. State on March 28 and 29.

Purpose of the conference was to give people who are doing research in the educational field a chance to read the reports of their work.

At 8 p.m. Friday night the announcements and greetings were given by Reginald Bell, dean of instruction. Following this was a panel discussion.

Saturday the conference was in session from 9 a.m. to 4 p.m. At noon a luncheon was held in the school cafeteria. Walter S. Monroe, a noted authority on educational psychology, spoke on "The Contribution of Educational Research to the Development of the Teacher-Learning Theory." Dr. Paul Wendt, instructor in audio-visual education, was in charge of the reservations for the luncheon.

Professors from State College who participated in this conference were Henry Lindgren, Louis Levine, Duncan Gillies, Leslie Navran, Albert Lepore, Dan Adler, and Burdette Fitzgerald.

High Sierra Summer Camp Offers Staff Positions

The Oakland Council of the Girl Scouts has announced openings in their counseling staff for Timberloft summer camp in the high Sierras. Positions open are those of unit counselor, waterfront assistant, nurse, dietician, and handyman.

Qualifications for all staff members, as announced by the council, are "good health, interest and sympathetic understanding of girls, a sense of humor, enjoyment of camping, respect and consideration for people, fair-mindedness and impartiality, stability and good judgment, and ability to work with campers and staff." There are also specific requirements for each particular position.

Those interested should contact Mrs. Eva Robinson, KE. 3-2549, or the Oakland Girl Scout Office, TW. 3-0242, for further information.

Objective tests—true, false and such—
They really make me squirm;
But one thing's true—those Lucky Strikes
Are fully packed and firm!
David A. Barron
University of Miami

Be Happy—
GO LUCKY!

To ease the stress of worldly cares
And worries caused by haste—
Just smoke a soothing Lucky Strike
That tops 'em all in taste!
Peter C. Thompson
Dartmouth College

In a cigarette, taste makes the difference—
and Luckies taste better!

The difference between "just smoking" and really *enjoying* your smoke is the *taste* of a cigarette. You can *taste* the difference in the smoother, mellower, more enjoyable taste of a Lucky . . . for two important reasons. First, L.S./M.F.T.—Lucky Strike *means* fine tobacco . . . fine, mild tobacco that tastes better. Second, Luckies are *made to taste better* . . . proved best-made of all five principal brands. So reach for a Lucky. Enjoy the cigarette that *tastes better!* Be Happy—Go Lucky! Buy a carton today!

L.S./M.F.T.—Lucky Strike
Means Fine Tobacco

When out of favor in "men's eyes,"
As good old Shakespeare writes,
Pull out some Luckies—you'll get friends
Before your match ignites!
Douglas Geymer
University of Portland
